

# PIXERA

## four

The new PIXERA four is for creators who dare to think bigger. Faster, stronger, and crafted with care — your visions deserve a machine that keeps up. Made in Austria. Built to push boundaries.

### HIGHLIGHTS

- ▶ High-headroom media playback for complex shows
- ▶ Real-time pipelines for interactive and responsive content
- ▶ Flexible connectivity for live and install workflows
- ▶ Redundancy options for peace of mind
- ▶ Serviceability that respects your time on site
